

2017-18 Mendocino County Event & Program Funding Request Information

For the 2017-2018 fiscal year, the Board of Directors of Visit Mendocino County (VMC) has set a fund of \$20,000 to support events and programs happening July 1, 2017-June 30, 2018. VMC has established a grant application process, with grant awards up to \$2,500, depending on the demonstration of need.

VMC invites tourism project funding requests from businesses and organizations that produce programs or events to increase overnights stays to our area, positively impact sales tax businesses, promote tourist attractions in the region, or develop programs targeted to a large percentage of visitors.

Through this funding request program, VMC seeks to invest in the development and expansion of events and programs that identify with the VMC brand for both residents and visitors with the specific goals of increasing tourism and tourism-generated revenue for our communities.

Activities eligible for funding:

• Events and/or programs slated to take place during the fiscal year shown on this application.

Activities not eligible for funding:

- Events or programs political or religious in nature
- Events or programs that may be contrary or harmful to the mission, principles and philosophies of VMC
- Events or programs funded by VMC beyond (3) three consecutive years
- Concerts or concert series within an individual business.
- General administrative costs
- Operational expenses
- Commercial or for-profit organizations requesting funds for capital improvements or projects
- Program promoting tourism outside of Mendocino County
- Events or programs directed mostly to residents of Mendocino County
- Requests for more than \$2,500

Funding available for these requests come out of VMC's overall budget, made possible by the county-wide lodging assessment.

Criteria for evaluating applications:

Event & Program Sustainability

An event or program will be considered sustainable if it is produced with strong growth opportunity that offers the long-term potential of taking place for several years. As a part of sustainability, funding is given out at a maximum for (3) continuous years if eligibility criteria are met.

Event & Program Marketing

The event or program strengthens VMC's marketing position as a destination.

Event & Program Economics

The event or program has the high potential of impacting both commercial lodging and sales tax businesses while minimizing this commission's financial risk by offering a positive return on the VMC's investment.

Who May Apply

Applications are accepted from non-profit organizations and for-profit businesses who can demonstrate the need for funding for their program or event. These events and programs must be aimed at tourism development that brings visitors to Mendocino County communities, creates overnight stays in Mendocino County's commercial lodging properties, and positively impacts sales tax businesses. Priority will be given to events and programs held mid-week (Sunday-Thursday) and/or the off-peak season (December-February).

Application & Selection Process

Applications are accepted by the last business day of each month for review by the Festival Committee the following month. All applications are vetted by VMC Staff to ensure compliance with submission criteria. The Festival Committee then will review the application and make its recommendation to the VMC Executive Director, who will make the final determination of the award within 45 days of the Festival Committee's recommendation. Please note: Applications requiring VMC's Board of Directors review and approval may take up to 60 days to process.

Applicants denied by staff's initial review can appeal directly to the VMC Executive Director and have their application reconsidered for review by the Festival Committee. Appeals must be made in writing within 10 calendar days of notification. The Executive Director's decision however is final.

Applications can be submitted (4) four ways:

- Email: info@visitmendocino.com
- Mail: Visit Mendocino County, 345 North Franklin Street, Fort Bragg, CA 95437
- In Person: During regular business hours at 345 North Franklin Street, Fort Bragg, CA 95437
- One application per organization, per event/program per fiscal year. Incomplete applications will not be processed. VMC is not responsible for confirming received applications nor lost, damaged or incomplete ones.

Volunteer Mendocino County

For every \$100 requested, we ask you or your organization to donate 0.25 hours to another Mendocino County event or program. This pay-it-forward program allows events seeking volunteers to access individuals and/or organizations that are willing to donate hours and it offers your organization or business an excellent opportunity to network with other event producers throughout Mendocino County.

Please see the enclosed Volunteer Mendocino County Packet for list of some qualifying events. This package also contains a Verification Form. We ask that once the volunteer requirement has been met, this form be completed and signed by the person supervising the volunteer hours. Questions can be directed to Luz Harvey (Luz@VisitMendocino.com)

VMC Toolkit

With your receipt of funds, we will provide you with a VMC toolkit containing our logo which we ask be used on your website and printed collateral such as posters, rack cards and letterhead. The kit will also contain resources such as contact information for free or low cost marketing opportunities.

Has this event or program received funding from Visit Mendocino County (Mendocino County Tourism Commission) in the past? NO If YES, how many consecutive years? _____

How do you feel the out-of-town visitor will benefit from your event or program? Exposure to a research facility and landscape which is infrequently open to the public. This landscape, it's species and research is commonly referred to as "a gem" in our County. Sharing the wonders of this site with the general public and introducing them to scientists and naturalists with the chance to become citizen scientists themselves during the "bioblitz" is a rare opportunity. A photography competition will also run alongside the event allowing participants to enter the best pictures they have taken of this Mendocino landscape and it's wildlife.

How do you feel the lodging community (hotels, motels, inns, vacation rentals, RV parks & campgrounds) will benefit from your event program? Hopland, Ukiah accommodation should benefit from the number of people who travel from the Bay area to attend an event allowing access to experts and to explore this habitat and meet it's inhabitants!

How do you feel the sales tax business community (retail, restaurants, etc) will benefit from your event/program? We plan to partner with the growing number of Hopland restaurants to offer visitors a variety of options for lunch during our event.

How do you feel the municipalities (county & city governments) will benefit from your event/program? Raising awareness of the beauty of this landscape and the rare resources including incredible diversity of wildlife. Allowing the opportunity to relax and enjoy a locally sourced meal in a new facility for the county and helping visitors see the value of this property for recreation and research.

What benefit or how will Visit Mendocino County (MCTC) be recognized in exchange for funding?

Recognition on our website, logo on printed materials and through e-mail newsletter to 2000 subscribers. Awareness of event will also be raised through facebook and twitter accounts and through UC avenues to other campuses e.g. Berkeley, Davis.

How can Visit Mendocino County (MCTC) help make your event/program more successful with our existing services?

- Y Assist in collecting room rates & facilitating room blocks for attendees, vendors, performers and/or speakers
- Y Partner by utilizing existing marketing vehicles to promote to audiences outside the county
- Y Partner by utilizing existing media promotions to promote to audiences outside the county
- Y Electronic distribution of information concerning your program or event to stakeholders
