August-September 2023 DogCation®

DogTrekkerers love Fort Bragg and Mendocino County for the coastal charm, dog-friendly outdoor adventures, dining options and accommodations that welcome the furry members of their families.

What better way to celebrate this special place by offering three DogCation® packages, each with a two-night stay at a Beachcomber Hotel property, family packs of Skunk Train tickets, including the pup of course, bicycle rentals and dinners at North Coast Brewing Company.

The promotion was presented across the DogTrekker Media Network, DogTrekker.com, and at three animal welfare adoptathons during the summer and fall. The coverage and results were magical.
