- Marketing for Events Continued Discussion

RJ: We want to focus a lot on marketing for events early. Janis has been working on finding out about legacy events to update our printed brochure and promote them.

CB: Is wondering if we are focusing on promoting things not just specific events.

JPC: We had a solo traveler last year and it is on our draft from Ko to promote that as well.

CB: Thinks that will be more impactful than specific events.

CD: We want to make sure we are giving enough time to do packages for events. Want to make sure we are moving things along quicker.

RJ: We want to give 3 months minimum to show people what's going on.

CD: We want to have a plan to push holiday starting in September.
