What to Expect

From the time initial payment and signed agreements are received, the following timeline will be in effect:

Equipment

Once complete order information is received equipment will be shipped and arrive within 10 business days. If expedited shipping is requested, you will be charged additional shipping charges and the shipping timeline will be accelerated.

Phone Numbers (new)

New phone numbers are typically available 3–5 business days after they have been requested, but can take 7-10 business days in some instances.

Phone Numbers (existing/port)

Porting existing numbers takes 5–20 business days, depending on area and existing telephone provider. Incorrect/incomplete information may cause the order to be rejected by the existing telephone provider. If a port request is rejected, the request will be resubmitted and the porting timeline will start over per the existing carrier. 'Do not port until' timeframes can be specified.

Dial Plan and System Setup

You will be contacted within 5 business days to begin the process of setting up your dial plan, call routing, etc. If the necessary information is received within this time frame, all configuration will be done within 10 business days.

Support

Feel free to contact our Support staff at any point in the process.

Billing

Charges will begin to accrue as soon as the account is activated (as soon as a new phone number is active on your account or numbers have ported, whichever occurs sooner).

Terms and Conditions

Terms and Conditions

By signing below, Customer personally certifies that he or she is an Authorized Agent of the Company, and has read and agrees to be bound by the entirety of the Terms and Conditions, located at:

including details regarding hardware, E911, and 45-day guarantee policies. Customer agrees to pay for the items in the quote identified as "up-front charges" upon signing this contract. Customer agrees that any prior verbal or written communication regarding services and/or pricing is superseded by the Terms and Conditions and this quote. Customer understands that the amount identified as "monthly charges" is the base amount that will be charged each month. Additional monthly usage fees may apply, including but not limited to international calling charges and local, state, and federal taxes. Future changes to nature or quantity of services on the account may cause changes in monthly charges.
